

Ride Rules

Beginner, Intermediate & Expert

You can make the ride as non-competitive or challenging as you want. It's up to you and your team!

1. **Total Ride Time:** Your time clock starts ticking at the designated start time for your class and ends when you return to Summerhill.
2. **Cut-Off Time:** Plan to be back at Summerhill before the cut-off time of 5:00pm. If you are not back to Summerhill before the cut-off time, you will receive a time penalty of 15 minutes.
3. **How Your Time is calculated:** Total ride time, minus time bonuses earned during the ride, plus a time penalty should you be back late. Don't be late!
4. **Minimum Required:** Ride to the mandatory wineries in your riding classification. Identify these by reviewing the "Route: Required & Time Bonus Stops" Chart on next page.
Remember to get your Ride Progress Chart signed by the winery volunteer.
5. **Just For Fun:** You're working hard – you may choose reward yourself by sampling wine along the way at the participating wineries. There are no tasting fees for ride participants! (Each winery will have a washroom and an area to fill up your water bottle.)
6. **Time Bonuses:** Receive optional time bonuses by:
 - a. Successfully completing a challenge at each winery (Note: you can skip a challenge if you choose, but you will not get the time bonus. So try to participate in these fun challenges)!
Remember to get your Ride Progress Chart signed by the winery volunteer.
 - b. Buying 1 (or more) bottle(s) of wine at a single winery. Ensure winery staff put your name on your purchase. Winery volunteers will take it back to Summerhill for you. Our challenge partners appreciate you buying local!
Remember to get your Ride Progress Chart signed by the winery volunteer.

Identify the various time bonuses by reviewing the following page.
7. **Get Your Proof:** You receive credits for all signed squares on your Ride Progress Chart. If you forget to get a signature, you won't get credit.
Remember to get your Ride Progress Chart signed by the winery volunteer.
8. **Disqualifications:** Your team will be disqualified if you don't get your *Ride Progress Chart* signed at the "mandatory" wineries for your riding classification.
9. Be safe and have fun!

IMPORTANT: Cyclists are welcome to pick whatever route they would like to get to each stop, but cyclists CANNOT travel to any locations that are not within your route!

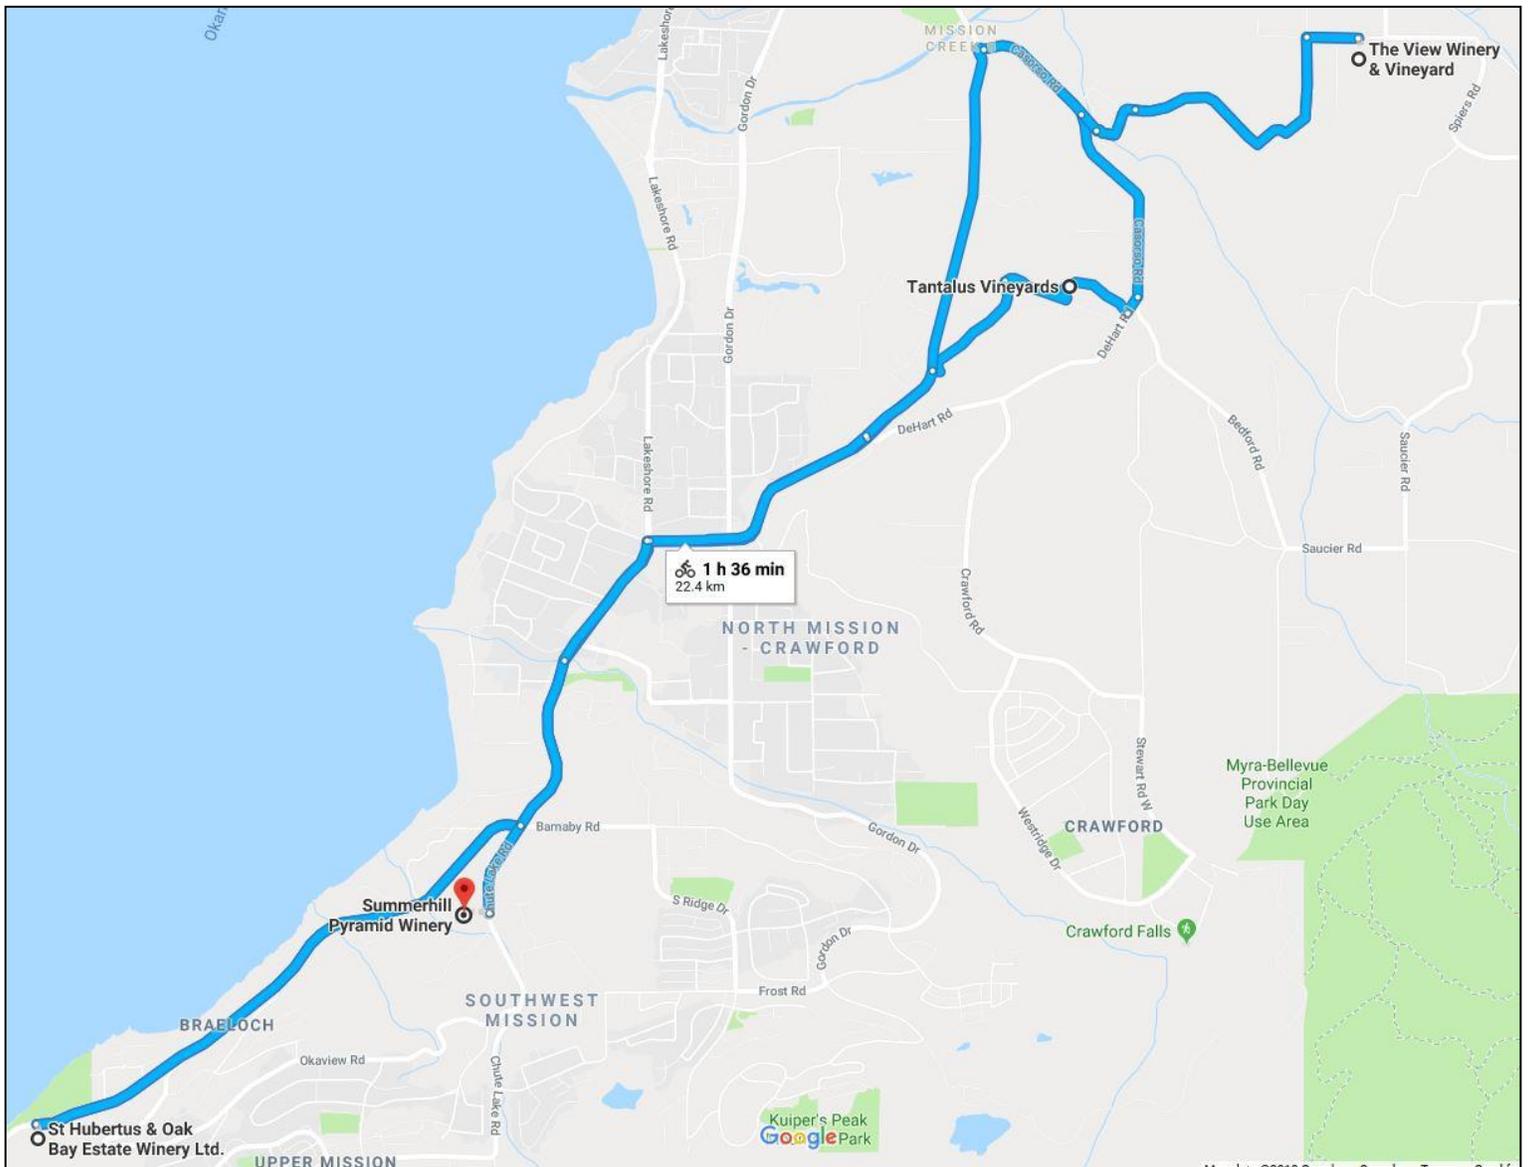

Deviation from the prescribed stops creates challenges with route planning. Route distances have also been determined to meet the skill level that you have signed up for.

**Please note that due to construction, the ride will not be passing through CedarCreek Estate Winery this year.*
