

NEW REGISTRATION SYSTEM FOR SPRING PROGRAMMING

Starting this month, we will have a new registration site where participants can sign up for all programs including youth and adult opportunities, in one place.

Spring registration opens on a first-come, first-served basis on March 5 at 9am.

The day and time of registration will likely change for future seasons.

IMPORTANT CHANGES:

No Membership Required

The \$25 annual CAN Membership is no longer required. Families will simply need to create an account in the new system. **No old accounts will be transferred over to the new system.**

First-Come, First-Served Enrolment (FCFS)

FCFS registration will allow participants to receive immediate confirmation of their status so they can better plan for the season ahead. Participants will be enrolled in a **maximum of 2 weekly programs per season**. There is no limit to the number of program waitlists you can sign up for.

Fee Structure

To ensure program sustainability, most CAN programs will now have associated fees.

Payment Options

Due to ongoing challenges with the Autism Funding approvals process, AFU will no longer be a payment option for programs under \$100.

Families facing financial barriers can apply to CAN's Fee Assistance Program.

Family Access Pass

Families can opt for a \$25 Family Access Pass for unlimited Family Experiences for 365 days.
