

Summer Day Camp

I am going to CAN Summer Day Camp! Camp is super fun!

There are some rules I
need to know before
coming to camp.

When I am not
participating in a game, I
will stay 2 metres away
from my friends.

2 metres is the same length
as a hockey stick!

Before I come to
camp, I must check
how I feel.

I will tell someone if I
don't feel good.

A coach will ask me if I feel healthy and ready to play!

I will wash or sanitize
my hands before
coming to play.

If I put my hands in
my mouth, I will wash
or sanitize my hands
again.

I will use equipment from the box my coach has for me.
My box will have my name on it!

When inside,
coaches may be
wearing face masks.

There are many kinds of Coaches at camp. They may be wearing different colours. I will listen to all my coaches!

I will be a good
teammate! I will
cheer on my friends!

Sometimes we will go outside. It may be hot!

I will wear a hat and drink lots of water!

I will stay with my
team.

I will not play in the
parking lot or on the
road.

We will be playing many sports and fun games. I will try new things!

We will become artists and
make different crafts!

We will become scientists and do different experiments!

We will become musicians
and create music!

In some games, I may
get wet with water!

I will stop and look
both ways before
crossing any roads.

Summer Camp will be so much fun!
